# The Music Ministry Mentoring Tour

## Application Form

### A Unique Training Adventure

The Music Ministry Mentoring Tour is twelve days (July 25-August 5, 2007) of personal training for four to six individuals who are involved in leading already or who are planning on being involved in music ministry. It is for those who desire a deeper experience and a broader understanding of the many different aspects of music and worship ministry. There is nothing like this tour, in the intensity of 12 days, that is as educational, practical, relevant to today's music & worship scene, diverse in performance opportunities, and just plain fun.

You will be able to experience many different ways in which music can be used in ministry. Leading worship at a Christian conference center; Leading worship at a contemporary church; Leading worship at the Christian Artists Conference in the Netherlands; An international and cross-cultural experience; Music evangelism and missions at a rescue mission; Interacting personally with artists and worship leaders at Spirit West Coast in Monterey; How to record music and work with sound.

The cost is \$3,200 which includes the training, travel, meals, lodging, and entrance into Christian Artists Europe in the Netherlands and Spirit West Coast in Monterey. Your funds can be gathered through gifts from your church or from friends who see the potential of your development. All donations are tax-deductible since we are a non-profit 501(c)3 organization.

You can be a part of this once-in-a-lifetime experience by filling out this application, answer the questions, and email it back to [reggie@heartfeltmusic.org](mailto:reggie@heartfeltmusic.org) as soon as possible. Reggie will call you within a day or two after it is received to let you know if you've been accepted. Please, call the Heartfelt Music Ministry office, or email Reggie, if you have any questions.
